AJB Sports In Education Wraparound
Leigh and Bransford Primary School

25th August 2026

Dear Parents and Carers,

Welcome to AJB Wraparound Care

We are delighted to welcome you and your child to AJB Wraparound Care for the new academic year at Leigh and Bransford Primary School.

We are really excited to begin the year and look forward to providing a safe, welcoming, active and enjoyable environment where children can relax, play, socialise and take part in a wide variety of activities before and after the school day.

Online bookings, Ofsted Registration & Tax-Free Childcare

Our online registration is now live and available to take bookings. Please follow the link to join us at our Wraparound Club through our online booking platform Pebble.

** Important note - If you wish to pay through Tax Free childcare vouchers, please see follow the Step by step guide to do so as we have needed to create a short term sign up process. Essentially you will be signing up for free on our website and then we will invoice you with the schools details, when we get these.

We would like to provide you with an important update regarding our Ofsted registration, how Wraparound will be organised and the reason behind our slightly delayed release of our live booking link.

AJB has been awaiting the completion of our Ofsted registration process this summer. Unfortunately, this has not been finalised in time for the start of the academic year. This has been out of our hands, the process can take a very long time and we have needed to be patient while it goes through its stages. We are expecting this to be updated shortly after the school year has started.

As a result, until our own registration is completed, the Wraparound will be under the schools name and AJB will be hired by and work with the school.

Tax-Free Childcare payments cannot currently be made directly to AJB for your wraparound care sessions. To ensure families are still able to use Tax-Free Childcare, these payments will instead be paid to the school by following our Step by Step guide. Once we receive our Ofsted approval payment using Tax Free childcare vouchers will be able to be made using our online platform and poncho pay - card payments can also be accepted on our booking site - all in one convenient place for you.

We appreciate that this is slightly different from the arrangements we had originally anticipated, and we thank both the school and our families for their support and understanding. Please see our step by step guide to signing up using ax Free Childcare vouchers.
